NOTICE OF FORMAL BID PROPOSAL

MABAS-IL AIR CASCADE VEHICLES and RELATED EQUIPMENT

MABAS-IL is a state-wide agency to assist Fire Departments throughout the State of Illinois in times of emergency beyond their local capabilities. Part of this assistance is securing and placing various assets in various areas of the State.

One type of these assets is eleven (11) Air Cascade Vehicles, and a portable compressor. These vehicles have the capability to fill SCBA bottle, and supply breathing air through a tethered line. The vehicle has an on board mounted air compressor and storage "E" tanks. The maintenance is to be done on all vehicles at the following locations:

North Cook County – Division 3
McHenry County – Division 5
Central Cook County – Division 11
DuPage County – Division 16
South Cook County – Division 21
LaSalle County – Division 25
Knox County – Division 31
Madison County – Division 35
McLean County – Division 41
Williamson County – Division 45
Effingham County – Division 54
MABAS MRC Wheeling, IL – portable compressor

Specific contact information for each location will be made available to the successful bidder at a later date. MABAS reserves the right to relocate units to different locations during the term of the contract. If so, the vendor shall be notified of the location changes
