# SPRING - 2023

---

## Repairs:

- Multiple Mercury repairs.
- Setup new Mercury motors x4.
- Assist Divisions with on-going issues.

## Improvements:

- Change the Six pack to a 4 pack Ready Response Package.
- Change over CCSW to Mercury Motors. Use existing Evinrude Motors for training.
- Work on trade-in program for old boat motors.

# RECOMMEDIATION FOR COMMETTEE

---

Listed below is what I would like your approval to move forward on.

- ❖ Review issued equipment to water teams (cost & space).
- ❖ Request each water team to send me the information on boats and motors ( make & Model & serial & size & horsepower).
- ❖ Request copies of service & maintenance to anything done to water items!
