MABAS Committees

- Communications
- All Hazards-Operations Support Team (AHOST)
- Technical Rescue Team (TRT)
- Hazardous Materials (HAZMAT)
- Water Rescue & Recovery
- By-Laws & Elections
- Fleet & Mobile Mechanics
- Fire Intelligence Liaison Officers (FILO)
- Drone/Unmanned Aircraft Systems (UAS)

Committee Structure & Responsibilities

- Conduct quarterly meetings – normally via conference call
- Conduct 1 Face to Face meeting per year – normally at the Annual Training Summit
- Develop and submit an annual work plan and budget request following the training summit meeting
- Can assign sub-committees for training assignments, equipment research, etc.
- Other duties and details that may be assigned by the elected executive board

MABAS Funding

MABAS receives:

- 2.5 million from Cook County through the Urban Area Security Initiative (UASI) grant
 - 2.5 million from the State through the Homeland Security Grant Program (HSGP) grant
 - 1.0 million from the State through the Preparedness and Readiness (PAR) grant
 - \$200,000 from the State through the State Fire Marshal grant, toward insurance costs
 - Divisional Dues, a percentage based on Department/District budget
 - The State will reimburse departments through MABAS for any IEMA taskings after disaster declarations
-
- These are rough numbers that change from year to year (mostly declining)
